

Safayet Ullah

Interactive 3D Portfolio - Resume Placeholder

Replace this file with your real resume PDF

This placeholder is included so the Download Resume button works immediately.

To customize: put your final resume PDF in `public/resume-safayet-ullah.pdf`,
or update `resumePath` in `src/data/site.ts` to any filename you prefer.

Suggested resume sections:

- Summary / objective
- Education: Southeast University
- Skills: React, Next.js, TypeScript, Three.js, UI Engineering
- Projects with live links and GitHub links
- Certifications, achievements, and contact details
